TC65 FEATURES

ENGINE

Featuring the latest in 2-stroke technology, the TC 65 is highly competitive in the 65cc class. Apart from using the lightest and most durable materials, the engine features a pressure controlled exhaust valve which contributes in delivering top level performance. Additionally, the engine features a manual 6-speed transmission and hydraulic clutch allowing the rider to have full control of the power delivery.

FRAME

The high strength chromium molybdenum steel frame integrates carefully calculated parameters of longitudinal flex and torsional rigidity to benefit handling and suspension functionality. It guarantees easy handling and precise cornering, along with outstanding stability. The subframe is connected to the frame by 4 screws and is made of lightweight aluminium.

Air Box

The Process to remove and reinstall the air filter is simplified for 2025 and allows for faster, cleaner and easier filter changes.
